

AHSA – Aylesbury High School PTA raffle donation plea!

We are incredibly grateful to all the parents who have supported us throughout the years. Thank you for participating in our winter raffle and helping us raise a whopping £1,212 for the school!

As you will be aware, all the money raised goes to fund the purchase of specialist equipment that helps enrich and enhance the students' educational experiences. Over the years AHSA has donated a thermal imaging camera, water fountains around school, chairs for the 6th form study, cameras for photography, lightboxes for art, MFL subscriptions, pianos, picnic tables for outdoor seating, lighting for the main hall and outdoor table tennis tables - to name just a few!

All the income generated in 2025/26 will be used to purchase things from the schools wishlist that they are currently working on providing to the AHSA PTA by the end of this term.

We would like to run a seasonal raffle competition over the summer. Can you please help us with the raffle prizes? Raffle prizes are often hampers so any item you feel might be part of a hamper would be an immense help. Donations in previous years have included beauty products, wine & chocolate but can be anything.

There are various options available to do this:

1. Do you have a business or work for a company that might like to donate an experience, a gift or shopping voucher, tickets, or an item? In return, the support of your company will be acknowledged through our marketing activity such as parent communications, posters and our social media pages seen by all parents and families.
2. Check your cupboards for items that could form part of a hamper or buy something next time you go shopping and drop it off at reception in school!
3. Buy something from our Amazon Wishlist and have it delivered straight to school!

If you can support us, please could you send your donation/s direct to us at Aylesbury High School Association, Walton Road, Aylesbury HP21 7SX via the school office **by 31 May 2026.**

Thank you very much for your support!
