Dear Parent/Carer

### **Unifrog accounts for parent/carers**

Parents and carers play a key role in students' decisions about their future. It is therefore important for you to know about the careers programme at school and to have access to good-quality information about future pathways, study options, and labour market opportunities. In line with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next steps after school, we use the online destination platform Unifrog throughout the school. We encourage you to use Unifrog with your daughter so you can support them through the process of deciding on their next steps.

You can now create your own parent account that allows you to:

- Stay up-to-date: See your daughter's next tasks, upcoming events, placements, and the interactions added by school staff
- Try out: Try Unifrog's student tools
- Learn: Find events (like webinars and fairs) and guides aimed at parents and carers
- Stay in touch: Sign up to Unifrog's monthly parent newsletter (which tells parents and carers about news and opportunities to do with careers and progression)

You can open your account by going to <http://www.unifrog.org/parent> and using your email address, or using Single Sign-On with a Microsoft or Google email account. If you have any issues signing in, please contact [careers@ahs.bucks.sch.uk](mailto:careers@ahs.bucks.sch.uk).

For more information, go to [www.unifrog.org](http://www.unifrog.org) or email [careers@ahs.bucks.sch.uk](mailto:careers@ahs.bucks.sch.uk).

Kind regards

Michelle Sutton
