

**Aylesbury High School | #AHSWalksTall**

Developing uniquely talented young adults, who are independent, strong and confident

---

19 March 2026

Dear Parents/Carers,

Following the devastating loss within our School community, we have been in close contact with the exam boards to ensure all Year 11 students are supported during the upcoming GCSE exam period. As part of this, we will be applying for Special Consideration for the entire year group.

Exam Boards award Special Consideration on a tiered basis depending on the level of personal impact, and we have provided the necessary context regarding class and friendship groups. However, please note that the final decision regarding any adjustments rests with the awarding bodies.

Kind regards,

Caroline Wilkes  
Deputy Headteacher (Curriculum)
