Developing uniquely talented young adults, who are independent, strong and confident

Tuesday 17 December 2024

Dear Parents/Carers,

PROPOSED SPORTS TOURS

The PE department is looking at the possibility of planning a visit to Malaysia in July 2026 and/or a tour taking place in Europe the following year (Spring 2027). The purpose of these visits is to participate in a sports tour involving both a netball and hockey team. Teams will take part in training sessions and compete against local teams/schools.

We need to establish whether there will be support for the visits to run before proceeding.

The approximate cost of the Malaysia visit will be between £3250-3500. [A rough itinerary can be found by following this link.](#)

For the tour in Europe, the following year (Spring 2027), we would estimate a cost of approximately £1500. Please see a rough outline as to what this tour would entail [here](#) to help aid in your decision making and planning.

If you would like to express interest in your daughter attending either or both of these proposed school visits please complete the attached [google form](#) by **Friday 10 January 2025**. Completing this form does not guarantee a place or commit your daughter to the trip. This form is only to determine interest and the estimated group size.

If the visits proceed, detailed information will then be sent out to parents. If possible, we are hoping there will be one or two Bursary places available to enable us to support talented students without the financial means to pay for this trip.

If you have any questions, please feel free to get in touch.

Yours faithfully,

Mrs Sole-Bradley
Director of Sport
