WELCOME BACK TO YEAR 11

Dear Parents/Carers

It has been lovely to see your daughter settle back into her first few weeks of Year 11 so well. At the beginning of this incredibly important year, we wanted to share some key dates and information with you. These have also been shared with students in our assemblies.

PARENT CONSULTATION EVENINGS

There will be two Parent Consultation Evenings in Year 11.

The first will take place **online on Wednesday 25th November 2026**. The second will be held **in-person at school on Wednesday 10th February 2027**. Further information, including booking details, will be sent out ahead of each evening.

DATA REPORTS

There will be two data reports sent home for Year 11.

The first on 17th November 2026.

The second will be 2nd February 2027.

SIXTH FORM OPEN EVENING

This will take place on **Wednesday 18th November 2026, from 5:00-7:30pm**.

Year 11 will have an assembly with Mr Skinner, Head of Sixth Form before this to receive some tips on how to get the most out of the evening.

Further information on Sixth Form Open Evening will be sent out prior to the event.

Year 11 students will also have a meeting with Ms Franklin, our Careers Adviser to discuss career options and subject choices. These will either be individual or in small groups.

YEAR 11 MOCK EXAMS

All students will sit their mock examinations between **Tuesday 5th January and Monday 18th January 2027**. The timetable for these examinations will be released later this term so that students have plenty of time to prepare.

YEAR 11 GCSE EXAMS

All students will sit their GCSE examinations from **Monday 10th May 2027**.

Students will be provided with a personalised timetable showing exactly when their examinations are taking place, together with the examination venue and seating details. Further information will be provided nearer the time.

INTERNAL Y12 SIXTH FORM INDUCTION DAY

We are looking forward to welcoming our Year 11 students into our Sixth Form and, assuming they meet the entry requirements, there is a guaranteed place here at AHS.

To help students make this transition, we would like to invite all our Year 11 students to an **Internal Sixth Form Induction Day on Tuesday 6th July 2027**. This day is designed to provide a welcoming and enjoyable first experience of Sixth Form life. Plans for the day are currently being finalised and further details will be sent out in due course. Please note this date with regards to booking any potential holidays.

If your daughter has any questions or needs support, please remind her of the different people she can speak to at school, including her Form Tutor, myself, our wellbeing team, Miss Shepherd, and her subject teachers.

Yours faithfully
Mr C Stanley
Head of Year 11
