

23 January 2025

Dear Year 12 Students and Parents/Carers

Next Steps Evening - Tuesday 11 February 2025

I am writing with further information about our Next Steps Evening for Year 12 students and their parents/carers on Tuesday 11 February between 6.00pm-8.00pm. There are two strands to this evening:

1. An **information fair** where representatives of approximately 40 universities and other organisations will be available to answer questions and distribute information. A list of organisations currently scheduled to attend is below; **this is still subject to change**.
2. A range of **short, optional talks** covering the following topics:
 - How to choose a course and university
 - Introduction to the university application process and support available at AHS
 - Introduction to higher and degree apprenticeships

Please be aware that parking will only be available on the school site for visitors with disabilities. We ask other visitors to make use of local car parks and park away from the school. Please let us know in advance if you require a parking space for someone with a disability or if you require any support in accessing the school buildings.

We are fortunate to have so many visitors willing to come to meet and advise our students. We will talk to students next week about how to prepare in order to get the most out of the evening.

We look forward to seeing you on 11 February.

Kind regards

Mrs M Sutton
