Developing uniquely talented young adults, who are independent, strong and confident

4 Mar 2026

Dear Parent / Carer,

I hope your daughter enjoyed the experience of singing at Young Voices last week. The whole cohort were a pleasure to spend the day with and were a credit to the school.

During the rehearsal, some of the students towards the back of our seating allocation were taking selfies on their devices. There is no problem with this, but we have been asked by another school that was seated behind us to check whether any of their students appear in these photos. Could I, as a matter of courtesy to them, ask that you check your daughter's photos from this event, and if their photos include the faces of students from another school, could you please delete these from their devices.

Thank you very much for your consideration in this matter.
