

17 December 2026

**Young Voices Concert at the BP Pulse Arena (25-ZYVCO)  
Friday 9 January 2026 - Final Information**

Dear Parents / carers,

Our concert date is now fast approaching and it would be very helpful for your child to continue to practise the songs and dance moves at home in between our school music lessons. This will give them the best possible opportunity to really get the most out of the day and they will certainly enjoy it so much more if they feel confident with all the words and movements. These are all available on their Music Class Google Classrooms.

They will find videos of all the lyrics and dance moves that we are learning in school, together with lyric sheets for each song (no word sheets will be allowed during the performance). The full lyric sheet is also available here: [Young Voices Full Lyrics.pdf](#)

Children should come to school on the day in their Young Voices T-shirt (if ordered) or a plain white t-shirt; and leggings / trousers with trainers / boots. They should also wear their school blazers (so that it is easier for us to identify the students during the day). They will also need to bring **two** packed lunches, one for lunchtime and one to eat between the rehearsal and the concert - together with a water bottle and a **small** bag to take these in. **Please ensure there are no nuts.**

Students eligible for Free School Meals will have one packed lunch provided by the Dining Hall for taking with them on the trip. Students should collect this from the Dining Hall during Period 2 and should bring a bag with them for this to go in. If students eligible for Free School Meals would like an additional second packed lunch provided, please contact me and we will make arrangements for this.

Students should also leave their Chromebooks and any school books, etc. at home for the day of the trip, so that they do not need to take them with them.

The itinerary for the day is as follows:

10:00 - Warm-up / final practice in the Roblin Hall at school

11:00 - Depart school

13:00 - Arrive at BP Pulse - eat packed lunch

14:00 - Rehearsal starts

17:00 - Eat Packed Lunch

19:00 - Concert starts

20:45 - Concert finishes

21:30 - Leave BP Pulse

23:00 - Coach estimated to arrive back at AHS - students to be collected from the school.

Young Voices and the BP Pulse Arena are very clear that, in order to keep the students safe, children will not be able to be collected at the concert and will need to be collected from the school. The venue is incredibly busy after the concert and it is simply not realistic to allocate a safe and available pick-up point.

Audience tickets that have been ordered have now been distributed to the email address that was used during the ticket purchase process and you should have received an email with details on how to access these. If you are coming to watch as a parent/carer, it is recommended you make a note of all the details such as Block, Row and Seat number. Please ensure that you arrive early so that you do not miss the start of the concert. At the end of the show, please make your way to the exits as soon as possible as the children can only start to be released from the auditorium once the concourse is clear of audience members.

Any pupil t-shirt packs that have been purchased via Young Voices have also been distributed to the students.

As a final note, students who have medical conditions should bring their required medication with them (e.g., 2 EpiPens, 2 inhalers, piriton) as per any risk assessments. Students will not be allowed to join the trip without these.

All medication brought on trips should be accompanied by the trip [medication form](#), which should be completed and emailed to the First Aid Administrator at least 2 weeks before the trip. This is found on the '[Trips and Visits](#)' page of the school website. **Medicines must be handed in to the trip leader in their original packaging with the information leaflet and the dispensing label attached.**

I am looking forward to what I trust will be a very exciting and fulfilling day for the students; please encourage them to keep practising over the holiday period!

Kind regards

Mark Warner  
Director of Music
