Dear Parent/Carer

Year 7 Activity Day - Friday 3 July - 25-ZADY7

On Friday 3 July, your daughter will be taking part in the Year 7 PE and Tasks Activity Day in school. We're thrilled to offer a day dedicated to celebrating physical health, problem solving and creativity, where students will dive into various PE and problem-solving activities led by both AHS staff and a fantastic external provider, Wise Up. It's going to be a fun-filled day packed with interactive experiences, and a key highlight is the chance for students to collaborate with peers from other forms and discover exciting new skills.

We are sure you will appreciate that, to offer a wide range of high-quality activities for the students, outside specialists and coaches charge for their time. We are, therefore, asking for a voluntary contribution of **£14**.

We would be grateful if you could make your payment for the activity using ParentMail by **Monday 15 June**. Ticking the relevant box when making payment in ParentMail constitutes your consent to this activity.

We would not want anyone to be unable to take part in this activity because of financial circumstances. If you would like to apply for financial support for this event (whether or not your daughter is eligible for Pupil Premium Funding), please complete the confidential on-line form accessed via the Parents' section of the website. Please reference the code: **25-ZADY7**.

If your daughter is eligible for Pupil Premium funding, the school will cover the cost of the activity held on our activity day in July. This does not include Service Children. Please fill in this form to give your permission for them to take part: [consent for students eligible for Pupil Premium funding](#).

Medical Details

Please note that the student medical information and your contact details that we hold on record will be used for the trip, so if anything has changed since you last updated us, please email the changes to your daughter's Pastoral Support Assistant.

As with all trips we want students and staff to have an enjoyable experience. If either you or the school have any concerns about your daughter's ability to participate then it is vital that we discuss at an early stage how the school can appropriately support her and ensure the activity is suitable for her.

Information regarding trips and visits including the code of conduct, insurance arrangements and voluntary contributions can be found on the school website in the '[Trips and Visits](#)' section.

Yours faithfully,

Vikki Burt
