

Aylesbury High School | #AHSWalksTall

Developing uniquely talented young adults, who are independent, strong and confident

10 September 2024

Dear Parent / Carer

OPEN EVENING - Tuesday 17 September

We are asking students whether they are able to help as a tour guide from 5.00 pm to 7.30 pm.

If your child is not helping in a subject area and would like to be a tour guide, showing visitors around the school, please complete [this very quick form](#) to give your permission.

We will hold a meeting with the tour guides before the open evening to let them know more about their role on the night.

Parking near the school will be difficult all evening. It would be very helpful if you could park away from the school, such as in Tesco's car park and walk to collect students.

Many thanks for your help.

Kind regards

Mrs Vikki Burt
Assistant Headteacher
