

3 March 2025

Key Stage 4 (GCSE) Options 2025-2027

Dear Year 9 Parents, Carers and Students

I am looking forward to seeing many of you at our Options Evening this week on **Wednesday 5th March** in the Main Hall. We will start the evening from 5pm where tutors will be in the Harding Hall to meet and register you. There will be subject stalls and specialist staff available for questions in the Harding Hall and Dining Room until 5.30pm when the main talk will begin.

I am writing to give you some further information about parking for the event. Parking on site is limited and often difficult due to several other lettings happening on Wednesday evenings on the school grounds. To avoid blocking other cars or houses please do use a variety of local car parks, which are shown here [Aylesbury High School - Google Maps](#).

If you are unable to attend this Options Information Evening, the PowerPoint used during Mrs Wilkes' presentation will be sent out on Thursday.

Yours sincerely,

Mrs S Saunders
Head of Year 9
