

Aylesbury High School | #AHSWalksTall

Developing uniquely talented young adults, who are independent, strong and confident

Thursday 21 May 2026

Dear Parent /Carer

Year 9 Activity Day - Friday 3 July

We are writing to give you details of this year's activity day for Year 9.

On **Friday 3 July** your daughter will be taking part in an **Enterprise Day**. The students will be working on a 'Learn to Earn' project led by the organisation Young Enterprise. This is a fast paced, engaging enterprise challenge which provides an introduction to employability skills. Students will work alongside inspiring Business Volunteers who support students to discover more about themselves and develop key skills which are valued in the workplace. Through a series of hands-on, fun activities students work in teams on exploring future study and career options, learning skills that make successful transitions to the next stage of life, as well as managing personal budgets. This will take place in school. Students will need to be in school uniform and lunch will be at 12:30, with the school Dining Hall opening as normal. Students will need their usual stationery. As this day is being facilitated by Young Enterprise, along with the support of their Business partners there is no cost to the student for this Activity Day.

Kind regards

Heidi Woo

Lead - Young Enterprise Activity Day
