

Aylesbury High School Trips and Visits 2024-2025

Aylesbury High School Proposed Trips and Visits 2024-2025

All AHS students are encouraged to participate in the dynamic programme of trips and visits.

- inspiring days out and exciting residential activities
- stimulating co curricular trips and challenging personal development visits

Students build on broad skills gained from the ambitious education in school and further develop their independence, strength and confidence.

This brochure contains information about the trips likely to run in the coming year. It will allow our community to plan ahead and make the most of the opportunities available.

This booklet is intended to give an indication of trips on offer.

Changes and cancellations may occur.

Prices are estimates and subject to change.

NB: Some international residential trips, such as ski trips, 'world challenge' style trips and PE tours, do not run every year and may run a cycle every 2 years or more depending on availability and interest.
