

Digital Safety

By the end of the lesson you will:

- ★ Know what you'd like your digital footprint to look like and how to achieve this
- ★ Know how to use the internet kindly and safely
- ★ Understand the dangers of talking to strangers online

Now let's look more closely at
some of the topics

Your digital footprint

Your personal details online

Do you know who you are talking to?

Did Jack Maynard THINK?

Before you post on:

THINK

T = Is it true?

H = Is it helpful?

I = Is it inspiring?

N = Is it necessary?

K = Is it kind?

Four steps to identify fake profiles:

- Verified account icon (blue icon or green in whatsapp)
- Account activity
- Number of followers
- Account history

Do NOT engage with someone you do not know in the real world

Who are your online friends?

Do you actually KNOW them all?

Do you know who you are talking
to online?

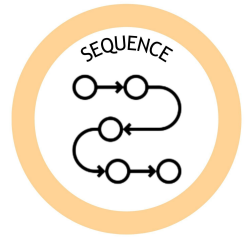

A man with short brown hair and a surprised expression, looking upwards and to the right. He is wearing a dark red sweater over a grey t-shirt. His hands are raised in front of him, with fingers spread. The background is a solid red color.

Be Safe Online

- What are the most important rules for staying safe online? Have a look at this [resource](#)
- Together, decide on your top tips
- Write them in your L4L book

Did you include these:

- ★ Before you post ... **THINK**
- ★ Don't post personal information
- ★ Set all social media accounts to private
- ★ Only accept people you actually know
- ★ **NEVER** meet up with someone you've met online
- ★ Use complex passwords and never share them
- ★ Never click on random links you are sent
- ★ Report any concerns

Homework!

We would like you to have a good talk with your parent / carer about internet safety.

Please go through the following slides with them.

We'd like you to discuss with a parent / carer at home:

1. Keep your digital footprint as you'd like it to be - link [here](#)
1. Staying safe online - link [here](#)
1. Check that you have location turned off for you camera so that people can't track your location from your photos. Advice [here](#)

CHANGING YOUR PRIVACY SETTINGS

Lots of apps and sites will set your profile to public automatically, which means that anyone can see what you've posted.

Changing your privacy settings can help to keep you safe, here's how:

Snapchat

Instagram

WhatsApp

Tumblr

Tik Tok featuring Musical.ly

Facebook

Twitter

Skype

Periscope

Other sites and apps

Look at any apps you use - are your privacy settings as safe as they could be?
